

STATEMENT OF PURPOSE

RS28484 / H0150

More than ten years ago the Commission of Pardons and Parole became a separate agency from the State Board of Correction to guard against any undue influence on the Commission from the Board to release inmates in a way that compromised public safety. This legislation pulls together all the sections of code that deal with the Pardons and Parole Commission out of Chapter 2 in Title 20 and into a single new chapter, where all relevant code section for the Commission would be housed.

FISCAL NOTE

There will be not additional charges to any general or dedicated funds, because the Pardons and Parole Commission already exists.
